#Sensus - It's on again

This year our venue partner is none other than the award winning Brisbane Convention & Exhibition Centre, ensuring this year will be more exciting than ever.

#SenseUs is designed to bring the industry together to celebrate, collaborate and network, but also to showcase unique custom built styling and entertainment that will leave our guests feeling inspired, enlightened and encouraged to think outside of the box.

Check out [the #SenseUs website](#) and make sure you 'like' the [Facebook Page](#) for updates.

Recycled Rhythm

An innovative percussion group using unique instruments inspired by the stuff of everyday life, the street and the rubbish dump.

This artistic show captures an audience with junk percussion, body percussion, pyrotechnics, fire drumming, audience participation, acting and more - performed with humor and imagination.

Entertainment Spectacular

We recently worked with one of our favourite clients to create an "entertainment spectacular" for a gala dinner.

From start to finish the "Viva Las Vegas" themed event captivated the audience with showgirls, roving magicians, Elvis tribute, cirque fusion show, lip sync and band-e-oke battles, Martini Club Band and feature headline performers **Costentino** and **Potbelleez**.

Guests are raving it was the "Best Event Ever"! Call us if you want the same result from your event
